

## LARGE BANK FAILS; CASHIER SUICIDES

Over Half of Million Dollars of  
State's Money on Deposit.

### UNABLE TO REALIZE ON LOANS

It is Claimed that the Cashier Had Approved Paper of New Enterprise, and When He Could Not Replace the Funds He Took His Life.

New York, Oct. 20.—Concerning the closing of the Enterprise National bank of Allegheny, and the suicide of its cashier, T. Lee Clarke, yesterday, a dispatch to the Herald from Pittsburgh says:

"It was learned late Wednesday night that the disaster to the Enterprise National bank was expected in certain quarters. Plans for an exposure of the trafficking in state bonds, it is said, were laid weeks ago. Mr. Clarke was cognizant of this and talked over the matter with several of the directors a few days ago. The cashier was told by the directors he would have to meet the paper obligations of the institution negotiated through him, and he promised to insure the bank against all loans for which he was responsible. The supposition is he was unable to accomplish this, and fearing the consequences, took his life.

"Although bank directors only acknowledged having \$600,000 of the state funds, the assertion was made by one of the bank officials that the enterprise had more than \$1,000,000 state money on deposit when the extensive loans were made.

"Clarke was associated as the treasurer with former State Senator Andrews and Francis Torrence, who, according to President Gwynner, were borrowers of the bank, in the Santa Fe Central Railway company, incorporated in New Mexico in 1891. The stock of the corporation has never been marketed. This road was built by Messrs. Andrews and Torrence. Cashier Clarke was also a heavy investor in Mexico and New Mexico silver mining stocks, according to Mr. Gwynner.

"At the last election Mr. Andrews was elected as a delegate from New Mexico in congress and it is asserted he aspired to be senator from New Mexico when that territory is admitted to statehood. Although Mr. Andrews is now delegate from New Mexico he retains a residence here in a apartments in the Hotel Schenley. Mr. Andrews arrived here yesterday from New Mexico but refused to talk about the Enterprise bank's trouble."

When advised of the statements made by the president of the Enterprise National bank, that the closing of the doors was due to loaning of state's money to politicians, Homer L. Castle, candidate for supreme court on the Prohibition ticket, who has been campaigning the state in company with W. H. Berry, Democratic Prohibition candidate for state treasurer, said:

"I am sorry. The life of a good man is a terrible price to pay for what has gone on. We have been saying that these conditions existed, but we could not get behind the bank doors. Now a pistol shot has opened them and reveals paralyzing conditions. Nobody knows now what will follow."

The ceremony was performed by Rev. Mason, pastor of the Methodist church at Alachua, in a very solemn and impressive manner.

The wedding was a very quiet one, only the relatives and a few friends of the contracting parties being present.

Miss Moody is a young lady of charming disposition and loved by all who know her. Mr. Bozeman is a valued employe of the Atlantic Coast Line at Savannah.

Mr. and Mrs. Bozeman will reside in Savannah.

### Negro Kills Motorman.

Birmingham, Ala., Oct. 20.—No greater indignation has ever been felt in Birmingham for murder than that said to have been done by a negro, which cost the life of Berry Pessner, a motorman, at the hands of R. L. Nix, a desperate negro, on Tuesday night. The negro, some time ago, drew a knife and cut L. Tenserson, a merchant, during a quarrel over a petty transaction in the latter's store. The motorman had been enduring the cursing of a gang of negro men on the front platform of a Gate City car, until he could stand it no longer and informed the negroes that they must desist or leave the car. This infuriated Nix, who drew a knife and saying "Damn you, put me off," stabbed Pessner in the breast and neck. Pessner died the next morning. The negro ran, but was captured a few blocks from the scene of the crime. When he was taken to the county jail a great crowd followed and would have done violence if permitted.

The new body will retain the name of the national metal trades association. The present officers are President J. W. Gardner, of Quincy, Ill.; First Vice President Fred A. Gier, of Cincinnati; Second Vice President W. D. Sallee, of Cleveland, O. and Treasurer W. E. Copeland, of Chicago.

### Praise for Health Officers.

Montgomery, Ala., Oct. 20.—There is the most unanimous commendation for the way the Alabama health officers have handled the quarantine situation, keeping all but the one lone case in Montgomery and the two cases at Castleberry out of the state. This, too, in the face of the fact that much of the line of Florida, Louisiana and Mississippi was infected at one time or another. The governor and all the state officers have the greatest praise for Dr. W. H. Sanders and his able assistant, Walter Brassell, and all the efficient men under them.

## OLD SORES SAP THE VITALITY AND UNDERMINE THE HEALTH.

Old Sores that refuse to heal are a constant menace to health. They sap the vitality and undermine the constitution by draining the system of its very life fluids, and those afflicted with one of these ulcers grow despondent and almost desperate as one treatment after another fails. They patiently apply salves, washes, plasters, etc., but in spite of all these the sore refuses to heal and eats deeper into the surrounding flesh, destroying the tissues and growing to be a festering, inflamed and angry mass. The source of the trouble is in the blood. This vital fluid is filled with impurities and poisons which are constantly being discharged into the sore or ulcer, making it impossible for the place to heal. It will not do to depend on external applications for a cure, because they do not reach the real cause, and valuable time is lost experimenting with such treatment; the most they can do is keep the ulcer clean. Any sore that will not heal is dangerous, for the reason that it may have the deadly germs of Cancer behind it. A cure can be brought about only through a remedy that can change the quality of the blood, and this is what S. S. S. does. It goes to the very bottom of the trouble, drives out the poisons and germs with which it is filled, and purifies and builds up the entire circulation. By the use of S. S. S. the sore is supplied with new, rich blood which corrects the trouble, soon stops the discharge, and allows the place to heal naturally and permanently. S. S. S. also reinvigorates the entire system, and where the constitution has been depleted or broken down it quickly builds it up and restores perfect health.
